13. (Rule 13) Time for Answers.

Within thirty days after the date of service of the complaint, the defendant shall answer the complaint. The Commission, the Chief Administrative Law Judge, or the presiding officer may require the filing of an answer within a shorter time.

Requests for an extension of time to answer shall be directed to the Chief Administrative Law Judge, or the presiding officer, in writing, and a copy shall be served on all parties. The request shall indicate complainant's acquiescence to the extension of time or the measures taken by defendant in his unsuccessful effort to obtain acquiescence. The Chief Administrative Law Judge, or the presiding officer, shall notify the parties of his ruling.

If an amendment to a complaint is filed before receipt of the answer, the defendant's time to answer the complaint shall be thirty days from the date of service of the amendment, unless otherwise directed. Amendments to a complaint made subsequent to the filing of an answer need not be answered.

13.1. (Rule 13.1) Contents of Answers.

The answer must admit or deny each material allegation in the complaint and shall set forth any new matter constituting a defense. Its purpose is to fully advise the complainant and the Commission of the nature of the defense. It should also set forth any defects in the complaint which require amendment or clarification. Failure to indicate jurisdictional defects does not waive these defects and shall not prevent a motion to dismiss made thereafter.
